The Prayer FOR DEPRESSION, MANIA DEPRESSION, BIOPOLAR DISORDER

BY WILLEM J HENNING

Father in Heaven, YHWH MY GOD, I'm entering your HOLY Kingdom, I relax in your Holy Power, I let go of my existing thoughts, I let go of my thought power that tries to control my thoughts while I am relaxed within You. I let go of me myself. I set free all powers that are captured within this body and those that want to control my thoughts and my emotions.

All my organs within my body, my heart, kidneys, liver, pancreas, lungs are now at ease and relaxed.

There is no doubt in my thoughts and mind that the power of God will restore me during this healing session, through the Holy Spirit, in the name of Jesus Christ in His perfect image and His likeness.

There is no doubt within my mind that God has chosen me within Jesus Christ before the foundation of the earth to be His child.

I believe in you, I trust in you, I believe that Jesus died on the cross for the salvation of mankind's sins and I believe that He risen from that tomb, the grave, ascended into heaven and sits at the right hand of our Father in heaven.

I confess with my mouth:

- Thank you, Jesus, for giving your life, dying on a cross, enabling me to live.
- Thank you for rising from the grave, ascending into heaven.
- Thank you, Jesus, for asking our Father, Jehovah God....
- "Father sends the Holy Spirit to this child of yours",
- Thank you that the Holy Spirit is already within me, waiting to be activated.

PREVIOUS GENERATION / FAMILY TREE

Father, I ask forgiveness for my previous generation for their:

- ❖ Hatred among each other
- ❖ Not loving themselves and each other
- ❖ for the anger, rage, and hostility which they had within them and among them
- ❖ forgive them, allowing the spirit of fear, anxiety, stress, guilt, depression, mani depression, Biopolar Disorder, self-pity, the dispirited spirit to control there lives.
- ❖ forgive them for allowing the death and dum spirit to enter their bodies and control them
- ❖ forgive them allowing the victimization spirit to operate through them, the spirit of not feeling safe, the spirit of rage and hostility to work in its full capacity resulting in Depression, Mania depression and Biopolar disorders.
- ❖ forgive them for allowing the spirit of doubt, stealing away there believes within God and Jesus Christ
- ❖ forgive them for allowing the hypocritic spirit to leave them without decision making.
- ❖ the lack of nurturing from my father and mother that causes this low self-esteem.
- ❖ for allowing low self-esteem telling them that they are not loved and are no good to anyone.
- ❖ allowing the spirit of bitterness within their hearts.
- ❖ forgive them for the verbal abuse, emotional abuse, physical abuse and sexual abuse towards one another causing Biopolar Disorders, Depression, Mania Depression spirits to take control of their thoughts and actions, allowing it to flow through to me and put me in bondage.
- ❖ allowing the spirit of rejection and self-rejection, cursing themselves in saying I'm not worth it, creating unwanted feelings, not loving myself, not loving You, not loving each other as per Your commandments, not wanting each other as family, cursing each other.

- ❖ Forgive them allowing the spirit of jealousy, witchcraft, occultism, tormenting thoughts and frustration, unable to sleep, night torment and night terror, fear of authority, fear of relationships, feelings of isolation, suspicion and feelings of accusation against others and oneself, hostility, division, conflict, domination, and manipulation – control of others, rebellion, obsessions and stubbornness, Jezebel and freemason spirits to be active within the family tree.
- ❖ for allowing these spirits to bring an ungodly order in the home, where the wife does not submit to the husband as per your written Word and for the ungodly order to reign in the home, giving satan access in our family to bring about these to kill and destroy themselves and families to come.
- ❖ Forgive them where they rejecting You as the Father of all, ignoring Your spirit, not accepting Jesus Christ, not listening to your commandments
- ❖ I cut this umbilical cord that is connecting me spiritually from my previous family generation enabling none of these spirits to flow through to me.

IN THE NAME OF JESUS CHRIST

MYSELF
